If you're thinking of buying a car then choosing the right brand and the right model is of prime importance. Again Nikita Kucherov Lightning Jersey , if you are planning on getting yourself a luxury automobile then this decision is all the more crucial. There are several brands in the luxury automobile section but Mercedes Benz has emerged to be the most popular. All Mercedes models have been designed to provide a holistic driving experience. It is the ultimate luxury car because it has a great combination of top class performance, plush looks and assured safety, almost all things one looks in a luxury car. If you are interested in taking a look at any particular model then you can go to a Mercedes showroom in Gurgaon, Delhi, Noida or any of the other showrooms found across various cities in India.

While buying a Mercedes Benz you must keep the following points in mind:

- Before visiting a showroom for a test drive, do shortlist the models which you think will suit your needs.
- For a Mercedes Benz test drive you have to apply for it in advance by e-mail or by making a phone call to the nearest Mercedes dealer in your city.
- You have certain basic needs in mind so do discuss them with your car dealer so that he may help you in opting for a car which best suits your needs. He will then be able to highlight these during your test drive to make it more meaningful.
- Before you start your test drive check whether the car is comfortable enough for you or not. The seat should not be too high or low for you and also you stoop too much to enter the car.
- Keep a note of few points while driving the car which include seeing how smoothly does the car accelerate Mitchell Stephens Lightning Jersey , whether the engine make too much noise while changing gear or not and whether the steering is responsive enough and last but not the least, how do you feel while driving the car.
- During your Mercedes Benz test drive check the car thoroughly. Ask any questions which you may have during your test drive.
- After coming back to the showroom make sure to check the trunk space available. The size of this space should be enough for the amount of luggage you would normally carry. Another thing you must check is the seat for the passengers, its size and the leg space available there.
- After completing the test-drive, if you feel that the car suits your requirements and you would like to buy it then check the total price after the taxes and add-ons if you want any.

Mercedes has showrooms across the length and breadth of India. All these showrooms display various models and the salesmen there will help you in selecting the model best suited to your needs and will also accompany you if you opt for a test drive. In North India there are Mercedes showrooms in Gurgaon, Noida, Delhi and all other large cities.
